AUTHOR DECLARATION AND UNDERTAKING

- I/We, the undersigned author(s), hereby confirm that the submitted manuscript is original work, has not been plagiarized, and is not simultaneously submitted or published elsewhere. I/We confirm that all authors have approved the manuscript and that all necessary permissions have been obtained for any third-party content used.
- I/We retain ownership of the copyright in the research work and grant **Current Journal of Engineering and Science Research (CJESR)** the right to publish, reproduce, distribute, archive, index, format, and make the article publicly available as an Open Access publication under the Creative Commons Attribution 4.0 International (CC BY 4.0) License.
- Under the applicable open-access license, the published article may be copied, shared, reproduced, printed, translated, adapted, edited, and reused by third parties, provided appropriate attribution is given to the original author(s) and any required license conditions are followed.
- I/We accept full responsibility for the originality, legality, ethical compliance, authorship, and copyright status of the manuscript. Any complaint, claim, plagiarism allegation, copyright infringement, or dispute arising from the manuscript shall be the responsibility of the author(s).
- I/We understand that CJESR, its Editor-in-Chief, editors, editorial board members, reviewers, and publisher do not acquire ownership of the author's underlying copyright merely through publication.
- If CJESR subsequently identifies credible evidence of copyright infringement, plagiarism, breach of this undertaking, or violation of publication policies, CJESR reserves the right to withdraw or retract the published article, including, where necessary, without prior notice to the author(s).
